RIDGMAR CROSSROADS CONDOS, § IN THE DISTRICT COURT OF
INC. §
§
Plaintiff §
vs. § TARRANT COUNTY, TEXAS
§
SCOTTSDALE INSURANCE §
COMPANY AND DAVID MORGAN §
§
Defendants § _____ JUDICIAL DISTRICT

PLAINTIFF'S ORIGINAL PETITION

TO THE HONORABLE JUDGE OF SAID COURT:

Ridgmar Crossroads Condominiums, Inc. ("Ridgmar"), Plaintiff herein, files this Original Petition against Defendants Scottsdale Insurance Company ("Scottsdale") and David Morgan ("Morgan") and, in support of its causes of action, would respectfully show the Court the following:

I.
THE PARTIES

1. Ridgmar is a Texas corporation licensed to do business in the state of Texas and whose office is located in Tarrant County, Texas.
2. Scottsdale is an insurance company doing business in the State of Texas which may be served through its registered agent for service of process in the State of Texas, Texas Department of Insurance, at P. O. Box 149104, Austin, TX 78714-9104. The Texas Department of Insurance should then forward the citation to Scottsdale Insurance Company, via certified mail, to 8877 North Gainey Center Drive, Scottsdale, AZ 85258.

3. David Morgan is a Texas resident who participated in adjusting Ridgmar Crossroads Condominiums, Inc.'s insurance claim, and he may be served via certified mail at 26 Atlantic Ave., Midlothian, TX 76065-6737.

II.
DISCOVERY

4. This case is intended to be governed by Discovery Level 2.

III.
CLAIM FOR RELIEF

5. The damages sought are within the jurisdictional limits of this court. Plaintiff currently seeks monetary relief over \$200,000 but not more than \$1,000,000, including damages of any kind, penalties, costs, expenses, pre-judgment interest, and attorney's fees. However, to the extent that Defendants refuse to cooperate in discovery, make frivolous and unwarranted objections, file needless motions, quash depositions and discovery requests without a reasonable basis, assert unjustified or false affirmative defenses, make unwarranted special exceptions, hire individuals they claim to be "experts" who give false opinions or testimony, produce witnesses who commit perjury, conduct excessive discovery, or otherwise needlessly delay litigation, the costs, expenses, interest, and attorney's fees will likely be over \$200,000 but not more than \$1,000,000.

IV.
JURISDICTION AND VENUE

6. This court has subject matter jurisdiction of this cause of action because it involves an amount in controversy in excess of the minimum jurisdictional limits of this Court. No diversity of citizenship exists in this matter.

7. Venue is proper in Tarrant County under Tex. Civ. Prac. & Rem. Code §15.002(a)(1) because all or a substantial part of the events or omissions giving rise to the claim occurred in Tarrant County. In particular, the loss at issue occurred in Tarrant County.

**V.
FACTUAL BACKGROUND**

8. Ridgmar Crossroads Condominiums, Inc. is a named insured under a property insurance policy issued by Scottsdale.

9. On or about November 16, 2015, or November 17, 2015, or at another time during the policy period, a severe storm with straight line winds and possible tornadic activity struck the Fort Worth, Texas area, significantly damaging Ridgmar's property, specifically, Bldg. 9 (6516 Hickock Dr., Fort Worth, Texas), as well as other property. Ridgmar subsequently filed a claim on its insurance policy. Safeco assigned it Claim No. 01681541.

10. Safeco assigned adjuster David Morgan to inspect the property and adjust the claim. During his November 23, 2015 inspection, Morgan arrived late in the day and performed a cursory site survey of the damage, which consisted of walking around the property. Morgan's evaluation of the property was conducted in an outcome-oriented, incomplete, and uninformed manner.

11. Morgan conducted a substandard investigation and inspection of the property that resulted in a damage estimate of \$6,229.99, which purported to represent the replacement cost value (RCV) of the damages. After subtracting the policy deductible of \$5,000.00 and withholding recoverable depreciation of \$70.61, Morgan's estimate recommended payment of \$1,159.38 for the net claim, and \$1,229.99 if depreciation was recovered.

12. Morgan's estimate fell woefully short of addressing all the damages he observed or should have observed on the property. Specifically, Morgan misrepresented that the damages to

the roof consisted of only 107 concrete tiles of 5,705.78 square feet of tile roofing on the main building and only 14 concrete tiles out of 1,478.66 square feet of concrete tiles to detached roofs. Additionally, Morgan misrepresented that only 200 square feet out of 848.53 square feet of metal roofing to the building were damaged. Morgan also knowingly misrepresented the cost of repairs to the remainder of Plaintiff's property, specifically the wood posts for the carports, exterior stucco wall, and gutters.

13. Importantly, Morgan intentionally or knowingly miscalculated and misrepresented the size of the damaged roofs. Specifically, he misrepresented that the concrete tile roofs total 7,184.44 square feet, when in fact they total 8,514.93. Morgan further misrepresented that the metal roof is only 848.53 square feet, when in fact the metal roof is 1,276.76 square feet.

14. Lastly, Morgan misrepresented that the concrete tile roofs can be repaired by simply replacing individual broken tiles with new tiles, and that the metal roof that was completely blown over and off the property during the storm can be repaired by simply replacing a portion of the damaged metal. Morgan knew or should have known that such repairs are not feasible or reasonable.

15. Plaintiff hired a public adjuster who prepared a thorough and complete estimate of the damages and submitted his damage estimate to Scottsdale. The public adjuster found damage to Plaintiff's roof and other property valued at \$61,940.04, including damage to roof tiles, chimney flashing, skylight flashing, furnace vent, attic gable vent, gutters, and fence. The public adjuster's accurately reflected the reality that the damages cannot be simply spot-repaired by replacing individual concrete titles or by replacing a small portion of the metal roof.

16. It is clear, as evidenced by Morgan's low-ball estimate, that he ignored or failed to look for and document severe storm damage which included, but not limited to, hundreds of

cracked and/or broken and displaced roof tiles; entire carport roofs ripped off; scattered wooden beams; external wall punctured by flying objects; 20" roof opening to second story stucco home; damaged gutters; fascia; and other associated structures in the kitchen area. Additionally, Morgan completely disregarded damaged personal property.

17. As a result of the dispute with respect to the estimates prepared by Morgan and Plaintiff's public adjuster, Scottsdale retained Kean Jenner ("Jenner") of Haag Engineering to inspect the property and provide an opinion as to the proper method of repairs to be performed. Jenner inspected the property on May 3, 2016, along with Morgan. Jenner concluded that the broken tiles could simply be replaced and that surrounding tiles need not be removed or replaced.

18. On June 20, 2016, Plaintiff received a letter from Scottsdale indicating that it could not accept Plaintiff's estimate of damages and therefore rejected the demand of Plaintiff's public adjuster.

19. Defendants improperly denied and/or underpaid the claim.

20. Morgan's unreasonable investigation, misrepresentations of damages, and omissions led to the underpayment of Plaintiff's claim.

21. Moreover, Scottsdale and Morgan performed an outcome-oriented investigation of Plaintiff's claim, which resulted in a biased, unfair and inequitable evaluation of Plaintiff's losses on the property.

VI.
CAUSES OF ACTION

22. Each of the foregoing paragraphs is incorporated by reference in the following:

A. Breach of Contract (Scottsdale Only)

23. Scottsdale had a contract of insurance with Plaintiff. Scottsdale breached the terms of that contract by wrongfully denying and/or underpaying the claim and Plaintiff was damaged thereby.

B. Prompt Payment of Claims Statute (Scottsdale Only)

24. The failure of Scottsdale to pay for the losses and/or to follow the statutory time guidelines for accepting or denying coverage constitutes a violation of Article 542.051 *et seq.* of the Texas Insurance Code.

25. Plaintiff, therefore, in addition to Plaintiff's claim for damages, is entitled to 18% interest and attorneys' fees as set forth in Article 542.060 of the Texas Insurance Code.

C. Bad Faith/DTPA (Scottsdale and Morgan)

26. Defendants are required to comply with Chapter 541 of the Texas Insurance Code.

27. Defendants violated § 541.051 of the Texas Insurance Code by:

(1) making statements misrepresenting the terms and/or benefits of the policy.

28. Defendants violated § 541.060 by:

(1) misrepresenting to Plaintiff a material fact or policy provision relating to coverage at issue;

(2) failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of a claim with respect to which the insurer's liability had become reasonably clear;

(3) failing to promptly provide to Plaintiff a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's denial of a claim or offer of a compromise settlement of a claim;

(4) failing within a reasonable time to affirm or deny coverage of a claim to Plaintiff or submit a reservation of rights to Plaintiff; and

(5) refusing to pay the claim without conducting a reasonable investigation with respect to the claim;

29. Defendants violated § 541.061 by:

(1) making an untrue statement of material fact;

(2) failing to state a material fact necessary to make other statements made not misleading considering the circumstances under which the statements were made;

(3) making a statement in a manner that would mislead a reasonably prudent person to a false conclusion of a material fact;

(4) making a material misstatement of law; and

(5) failing to disclose a matter required by law to be disclosed.

30. At all material times hereto, Plaintiff was a consumer who purchased insurance products and services from Defendants.

31. Defendants have violated the Texas Deceptive Trade Practices Act in the following respects:

(1) Defendants represented that the agreement confers or involves rights, remedies, or obligations which it does not have, or involve, or which are prohibited by law;

(2) Scottsdale failed to disclose information concerning goods or services which was known at the time of the transaction when such failure to disclose such information was intended to induce the consumer into a transaction that the consumer would not have entered into had the information been disclosed;

(3) Scottsdale, by accepting insurance premiums but refusing without a reasonable basis to pay benefits due and owing, engaged in an unconscionable action or course of action as prohibited by the DTPA § 17.50(a)(1)(3) in that Scottsdale took advantage of Plaintiff's lack of knowledge, ability, experience, and capacity to a grossly unfair degree, that also resulted in a gross disparity between the consideration paid in the transaction and the value received, in violation of Chapter 541 of the Insurance Code.

32. Defendants knowingly committed the acts complained of. As such, Plaintiff is entitled to exemplary and/or treble damages pursuant to the DTPA and Texas Insurance Code § 541.152(a)-(b).

D. Attorneys' Fees

33. Plaintiff engaged the undersigned attorney to prosecute this lawsuit against Defendants and agreed to pay reasonable attorneys' fees and expenses through trial and any appeal.

34. Plaintiff is entitled to reasonable and necessary attorney's fees pursuant to TEX. CIV. PRAC. & REM. CODE §§ 38.001-38.003 because Plaintiff is represented by an attorney, presented the claim to Defendants, and Defendants did not tender the just amount owed before the expiration of the 30th day after the claim was presented.

35. Plaintiff further prays that it be awarded all reasonable attorneys' fees incurred in prosecuting causes of action through trial and any appeal pursuant to Sections 541.152 542.060 of the Texas Insurance Code.

**VII.
CONDITIONS PRECEDENT**

36. All conditions precedent to Plaintiff's right to recover have been fully performed, or have been waived by Defendants.

VIII.
DISCOVERY REQUESTS

37. Pursuant to Rule 194, you are requested to disclose, within fifty (50) days after service of this request, the information or material described in Rule 194.2(a)-(l).

38. You are also requested to respond to the attached interrogatories, requests for production and requests for admissions within fifty (50) days, in accordance with the instructions stated therein.

IX.
PRAYER

WHEREFORE, PREMISES CONSIDERED, Ridgmar Crossroads Condominiums, Inc. prays that, upon final hearing of the case, recover all damages from and against Defendants that may reasonably be established by a preponderance of the evidence, and that Ridgmar Crossroads Condominiums, Inc. be awarded attorneys' fees through trial and appeal, costs of court, pre-judgment interest, post-judgment interest, and such other and further relief, general or special, at law or in equity, to which Ridgmar Crossroads Condominiums, Inc. may show to be justly entitled.
